

5 reasons to volunteer

1-7
JUNE

VOLUNTEERS' WEEK

Time to celebrate

Digital Champion, Diana

Volunteer since: Nov 2019

Hours to date: 40

1

It reminds me of how blessed I am to have enough for me and my loved ones and still be able to give to others.

2

The immense happiness I feel when I can make someone else feel happy, empowered and positive.

3

If I can change someone's life for the better, it is proof that the power to help is a gift to us all.

4

I am confident that when I do something good for others, there is always someone observing, hence my acts are teaching the observer without me knowing.

5

Life is too short, and if one day someone remembers me, I want it to be because of something significant I have done.

"Let your heart be happy, and your life fulfilled, during volunteer week and every other day of the year, cheers to all the people who raised their hand and said I can, I will, I am here for you, and you're not alone."
